

## A HANDKERCHIEF REVELATION

"Why, the biggest wholesale importers pay more for the same quality; you must have made a mistake!" Uncle Sam's Custom House man couldn't believe his eyes. Here were big, fine, all-linen Handkerchiefs knocking at his door, and they were cost-marked below anything he had ever seen. No wonder he wondered—and asked questions—and still wondered as he passed the Handkerchiefs along to us—to you. The whole town of traders will wonder.

Such HANDKERCHIEF prices would set any one winking, and the more he knew of Handkerchiefs the more he'd wink. Women's fine Irish linen real hemstitched, full size Handkerchiefs, at 10¢ each; usually 25¢. Men's pure linen, taper border, hemmed Handkerchiefs, full size, 10¢ each. Men's pure linen, fine thread, full size, real hemstitched Handkerchiefs, 10¢; usually 40 and 50¢. Women's pure linen Handkerchiefs, hand hemstitched, hand embroidered, fancy initials, 25¢. Four sorts. Less than the initial alone is worth.
